Christ calls us to this purpose: that we not mistake our best intentions for the gospel but share the Gospel as the announcement of our redemption and resurrection. At LCBI, we hold high regard for excellence ... yet the bottom line, for all staff and students, is to know we are loved by God and by each other.

LCBI has started several new initiatives this year. There is a new Campus Life Curriculum, a new leadership program, and our first year delivering the International Baccalaureate program. LCBI is one of only five Saskatchewan schools approved to be an IB World School. We have also moved to a Tuition-Free model for Saskatchewan students.

This is a great deal of change for one year, yet somewhat necessary as we address growth and development concerns. Student population is our primary concern and recruitment

will be ramped up another level this semester, as it was in the year previous.

Our dedicated teaching and administration staff take on this extra work joyfully knowing we work in harmony to grow our school. Our operational hermeneutic – “We Would See Jesus” – will not falter nor diminish.

Daughters and Sons of LCBI ... as you read this new expanded Beacon, please consider LCBI for your children, your grandchildren and your great grandchildren. Be vigilant and vigorous in your prayers and monetary support.

We Would See Jesus

Wayne

From the Principal

by Leanne Engen, Principal

We are excited to start another LCBI Bison year! The 106th to be exact – thanks be to God.

Opening Day was on August 31st, where students and families gathered to register, sign a myriad of consent forms, receive dorm room assignments and roommates, smile for the camera, pay school fees, worship together, review important changes in school departments, and then eat together before parents headed home. It was a busy and joyful day.

We started the school year on September 1st, with thousands of other students in their respective school divisions across Saskatchewan.

Students met with Campus Life as well as Academic departments to choose classes, go through the Student Handbook, receive orientation in the Computer Lab and Weight Room, and learn how we live in community. We also came together as a school community in chapel.

On Friday, we began the routine of a regular school day. It was great to see the student body

come together quickly, and a really positive tone has been set for the year. Extra-curricular activities began in earnest on September 1st, and several athletic events will have been completed when you read this. On the 8th and 9th of September, we travelled to Elbow Lutheran Bible Camp to gather for a Leadership Retreat; that was a resounding success.

LCBI High School offers so much to students – there is something for everyone, and that is saying a lot for a school our size with a small staff complement. I want to thank all staff for the countless hours they will spend over the course of this year to make this year a positive experience for all. We wear our Gold and Maroon proudly, and we will set high expectations for all students in the hopes this will be a year of successes in all areas of life.

Please keep LCBI in your thoughts and prayers. This is a truly special school and we look forward to putting “students first” and witnessing the growth in all of our students this year!

Blessings,

Leanne Engen

four houses (the President being a member of Mark). But in all serious fun, each house showed their uniqueness through their own perspective. The final open debate was won by the quality “Loyalty.” We will most certainly do this again next year!

The second session was a competition between sixteen leadership qualities for the LCBI context debated by students in their respective house groups. For a while, it seemed that the house of Mark was the odd member of the

We now have six leader teams at LCBI. A member from each house is selected by the respective house to lead one five campus life teams. The Senior Leaders are selected by LCBI staff.

Academics

Update on the IB Program

by Dr. Cristina Pennington

We would like to inform you that we will be offering IB (International Baccalaureate) certificates beginning this school year; the full DP program will begin in the 2017–2018 school year.

The IB certificate courses offered this school year will include History HL, Spanish Ab Initio SL, and Mathematics SL. Students taking at least one of these courses will also have the opportunity to register for Extended Essay (EE), Creativity, Activity and Service (CAS), and possibly Theory of Knowledge (TOK). Although our students who are in our grade 11 cohort will not be able to complete the full IB Diploma Program, they will still have the opportunity, based on grades in the certificate courses, to be awarded university credit and/or advanced placement depending on the university chosen.

We remain an IB World School, and the IB courses will reflect on the IB Learner Profile and IB Mission Statement and Philosophy.

The International Baccalaureate Diploma Programme (IBDP) is a two-year program for students in grades 11 and 12. Present grade 11 students who signed up for these IB courses will be assessed internally by their LCBI teachers and moderated by IB moderators. External exams for these students will come directly from the IBO and will be taken at LCBI in May 2018. Immediately after the examination, these external exams will be sent to IB examiners all over the world for marking. The students will be able to access the IB website on July 6, 2018 to find out their grades. The certificates will then be sent to LCBI and we will distribute them to the students as soon as they arrive, normally at the end of August. IB fees are not due until November 2017.

If you would like more information about the IB program in general or about the IBDP at LCBI, please contact our IBDP Coordinator, Dr. Cristina Pennington at cpennington@lcbi.sk.ca or visit the IB web site, www.ibo.org

CHOIR & Drama

by Graham Codling, Teacher and Choir Director

The LCBI Choir had an active year. We sang with the Alumni Choir at Homecoming in the fall, put on a Christmas concert in December, and had a successful tour through Alberta over the Easter break.

We performed at the Outlook Music Festival and were very pleased to have won a scholarship at it. Together we attended a Greystone Singers concert in Saskatoon; this was a wonderful inspiration for the students.

Our end-of-the year concerts in Saskatoon and at LCBI were well attended and received positive reviews.

Three of our members – **Joshua Clarke**, **Madeline Codling** and **Sarah Haugen** – auditioned for the Saskatchewan Honour Choir, and all three were accepted! They will sing at the Honour Groups concert on Saturday November 19th, at 4:30 PM, at Lakeview Church in Saskatoon. Tickets will be \$10.00 at the door.

I look forward to continuing progress this year. We hope that you will come out to one of our concerts to hear the choir.

Mr. Codling with the Choir, at the Christmas Concert

In late May, a group of students along with Mr. **Codling** and Mrs. **Linsley** attended the Persephone Theatre production of *Mary Poppins* in Saskatoon. It was a wonderful performance, with gorgeous sets and lively singing.

From June 9 to 12th, the drama class gave four performances of the musical review they had written, *Homecoming 2026*. Set ten years in the future, the review featured student characters reminiscing about their time at LCBI, telling funny and poignant stories through narrative and song. Each show brought out 45 – 50 people, and the applause after each number was enthusiastic.

LCBI ATHLETICS

by Jesse Sorenson, Athletic Director

It's September, which, is a very busy time for LCBI Athletics! This fall, LCBI athletes are busy with football, soccer, volleyball, cross country running, and golf. Some students are involved with as many as four of these sports!

Of course, these sports couldn't happen without all of our dedicated and talented coaches. Our coaches this fall are: **Phil Guebert** and **Bryan Akre** (Football), **Rick Delaine** (Boys Soccer), **Bryan Balaton** (Girls Soccer), **Andrea Klassen** (Cross Country),

Jennifer Ridgewell and **Bob Akre** (Girls Volleyball) and **Jesse Sorenson** (Boys Volleyball & Golf).

Lady Bison volleyball got started right away with a tournament in Loreburn

September 2 and 3. In the thirteen-team tournament, LCBI had a great start to the season and finished in second place!

The Bison Football team had their first game at LCBI vs. Central Butte on Friday, September 9. The Bisons fought hard but lost the game 52-34.

Boys Volleyball practices have begun, and the first game is scheduled for Monday, September 12.

Please check out the LCBI website calendar to keep up to date with LCBI athletics. Alumni have always been great about coming out to cheer on the Bisons and Lady Bisons. We thank you in advance for your support!

We are excited for the upcoming year in Athletics, and we also want to recognize some

of the achievements from the 2015–16 year. Here are a few highlights:

Girls and Boys Volleyball

Both teams advanced to Regionals and both just narrowly missed advancing to Provincials. Great showing for LCBI volleyball!

Cross Country Running

Brynn Kokesch, Andreas Graupe, and Ali Kemp all competed at Provincials in Saskatoon.

Football

The Bisons finished third in league play and advanced to playoffs but lost a hard fought battle against Hanley in the first round of playoffs.

Boys Basketball

The Bison Basketball team won a thriller against Herbert in the Regional final to

advance to Provincials. LCBI lost the semi-final to Davidson (who ended up Provincial Champions) by two points. Another close game! LCBI ended up fourth in the Province.

Sportsmanship Award

The Boys Basketball team was selected for the Sportsmanship Award which is a significant achievement as only two teams in the province receive the award. This award is really a reflection of the entire school and the alumni who supported the Bisons at Provincials.

Track & Field

LCBI had ten students advance to Provincials which is a great effort for a small school. **Sarah Hicks** won the bronze medal in Senior Girls High Jump.

Campus HIGHLIGHTS 2015–16

End-of-Year Activities

Graduation weekend was wonderful! The Chapel, gym and school were all beautifully decorated in a Northern Lights theme, with lots of stars and banners in the Class of 2016's four colours: purple, green, blue and black. Their theme verse – “Though I have fallen, I will rise. Though I sit in darkness, the Lord will be my light” (Micah 7:8b) – was woven into the decorations, toasts and speeches.

Friday night began the weekend festivities, with a Grad BBQ at **Abby Ridgewell's** farm. Students enjoyed the hot tub and many other activities! Saturday afternoon was busy with picture-taking until the Banquet. Following the meal were introductions of the special guests, grads and their families; greetings from Pastor **Daryl Olson** of Bethlehem Lutheran Church, Bishop **Sid Haugen** of the Saskatchewan Synod, and **Kari Alford** from the Board of Regents; and **Floyd Childerhose** brought greetings on behalf of Mayor **Bob Stephenson** and the Town of Outlook. Graduate **Julianna Friggstad** and her father provided a beautiful musical number in addition to toasts to the staff, parents and graduates.

Following the banquet, everyone gathered in the gym for an entertaining evening starting with the Grand March. The many talents of the graduates and their friends made for an enjoyable Talent Show. The gathered crowd was large, so the gym was pretty full!

Sunday morning, everyone assembled in the gym for Worship led by President **Wayne Hove** and the message was brought by Pastor **John Lentz**, father of one of our graduates. In

the afternoon, we celebrated with the Baccalaureate Ceremony. **Jacob Lentz** was this year's Valedictorian, and Mrs. **Ridgewell** was chosen by the class to give the Commencement Address. Mrs. **Ridgewell's** daughter, **Abby**, was in the graduating class, so it was very emotional Commencement Address that had many wiping a tear or two.

Monday morning, the graduates were up early and off to Saskatoon to the Bessborough for the Grad Breakfast. While the graduates were in Saskatoon, the rest of the school undecorated the campus.

The school year concluded with a banquet. Afterwards, in the Chapel, we celebrated the many achievements of our students in Academics, Music, Drama and Athletics! We were pleased that many parents joined us for the evening – some were local and from the surrounding area but others came all the way from Alberta!

The Spring Fling after school, arranged by the SLC, included water activities, Paint Twister, Jell-O wrestling, Egg Toss, watermelon eating and tug-of-war across the pool that Cam built. Many students performed in the Choir Concert performance that evening. The Choir Concerts on the weekend (at LCBI and Zion Lutheran Church in Saskatoon) were very well attended.. Everyone enjoyed the wide range of selections offered – a great couple evenings of music!

Our students wanted to help with fundraising for the school, so Sunday was a Garage Sale/Silent Auction/Bake Sale! The students raised over \$7000.00 for the school! Way to go!!

GRADUATION

From the class of 2015

LCBi holds a very special place in the hearts of the graduating class of 2015. When we heard the news of the possibility the doors would not open in the fall, our hearts were saddened. We came together as a class and decided to raise some funds for the school. We managed to raise over \$1000 to help reach the school's goal.

We are so pleased and thankful that the goal was met and the doors have opened. The school means so much to each of us, and we wish for future students to experience God's love in the same way we did. We will continue to keep the Board of Regents, staff and students of our beloved school in our thoughts and prayers as the school year begins. As opportunities arise, you will see our smiling faces pop in for visits to the school for many years to come. May God bless all of you as continue in God's ministry.

With love,

The Graduating Class of 2015

GRADUATION

Valedictory Address 2016

by Jacob Lentz

Happy Mother's Day! On behalf of the Grad class I'd like to welcome all alumni, parents, classmates, future students, family, friends, and any other categories you may fit into, to the LCBI campus. There are a lot of people my Grad class and I would like to thank for helping us reach this day. Firstly, we'd like to thank our parents for supporting us throughout our entire lives and through everything we've done. Thank you, alumni, for attending our sport events and always showing your much appreciated enthusiasm. Thank you to our classmates in grades 10 and 11 for helping with Grad prep and helping prepare us for today. Also thank you to the staff – your kindness, patience and strong dedication has led and developed us into the people we are today.

We've all developed and grown so much since the early years in Kindergarten, changing from eating glue to completing weekly calculus assignments. Even in my Grade Twelve year, I've been transformed into a different person. LCBI means a lot to me. For some it may be a school, for others it may be a nice community, but for me it's a home. Although I've only been here for a single year, it has changed me so much and helped me become a better person, student, leader, athlete, and servant. Even on the first day of school or the Spend-a-Day I attended, I could see the acceptance and kindness that the people here are filled with. To quote **Annika Chell**'s Instagram post, "welcome to the crib – where bad dancing is widely accepted, and God's love is not hard to come by... #family". This is a special place, and the effects can, and will, last a lifetime.

My decision to attend LCBI came about two weeks before classes actually started. I was skeptical to come, but eventually I felt called to become a student here.

It's hard to put into words what this school truly is, because it can be different for anyone who comes here. This school can affect your life, and it certainly did for me. The memories I've made, the friends I've met, the stories I've heard, and the way I've grown will be with me the remainder of my life. LCBI will forever hold a place in my heart. I know that I will miss my classmates, the staff, **Charlie** the cat, and this place. I look forward to the next step in my life, but the step I took here will always be my favourite.

It's hard to believe that we're finally graduating. After a twelve-year journey we are finally being released into the world to see who we will become. It is the beginning of a new period in our lives, and I know we are ready for what lies ahead. There may be fear, anxiety, or stress for the unknown future, but we should be encouraged, because God has a plan for each one of us, and will not leave us behind. "The Lord himself goes before you and will be with you; he will never leave you or forsake you. Do not be afraid; do not be discouraged (Deuteronomy 31:8). I have seen the love and power of Christ in all of my classmates here, and I know that He will lead all of them to do great things in their lives. Thank You.

ANNOUNCING A SPECIAL CONCERT WITH JASON HASTIE AND THE ALIBI

FRIDAY OCTOBER 14 AT 8 00 PM
IN THE LCBI GYM

Don't miss it!

Jason Hastie, LCBI alumnus of 1992, is described as "one of the brightest Country Music stars on the Canadian music scene." Read his bio and sample the band's music on the LCBI website under the Alumni tab and click on "Achievements."

Preordered tickets: \$20 online at lcbihomecoming2016.eventbrite.ca
Tickets at the door: \$30 and free for LCBI's present students and under age 13.

Before the concert, you can stop for coffee at Bethlehem Lutheran Church and register for Homecoming.

Homecoming 2016

Arrival and Registration

As you enter the LCBI grounds for this Homecoming, you will be greeted and directed to Bethlehem Church where Registration will take place all weekend.

This will help us keep count of all visitors, whether you come for Jason Hastie's Concert, or for the day to meet with your class, or for the many enjoyable events of the whole weekend!

Take note of the full Homecoming Schedule. To streamline the process, preregister online at <http://lcbihomecoming2016.eventbrite.ca> to order both your weekend meals and concert tickets. Then your nametag and tickets will be waiting for you when you check in at Registration. A second option: mail in the enclosed Registration Form.

We hope to meet and greet you October 14 - 16!

Human Foosball Tournament

Thanks to one of our Alumni families, LCBI now has a Human Foosball Court! We're going to have fun putting it to use at this Homecoming Weekend.

We challenge families and friends to make up teams of eight for a tournament on Sunday from 1:00 to 5:00 pm. Pick-up teams might like to try out the court on Saturday afternoon.

Please register with **Murray Nelson** at murray.nelson@bmo.com or 306.203.3139. (Teams of 8 - \$80/team)

At this year's Homecoming Program, we will honour three who contributed so much to LCBI:

Edith Vinge, 1918 - 2015

Many will warmly remember her for 31 years of "Sunday School at Home" and as dorm mother.

Rev. Art Solheim, 1917 - 2015

Long-standing business manager of the 'new' LCBI in 1954, many also knew him as their teacher and/or Dean of Men.

Rev. Dr. George Evenson, 1911 - 2015

After the birth years of Outlook College, Dr. Evenson became SLBI's first President, and, simultaneously, the choir director.

Campus Life

The Campus Life mission is to promote and provide support for dorm and day-students' spiritual, social, cultural and personal growth within a safe and caring campus community. Central to this mission is the development of mutual understanding, respect and responsibility in a supportive living and learning community.

Campus Life is a component of student life at LCBI High School which includes Chapel, Devotions, Character Development and Wellness. The Campus Life Curriculum supports ten areas of learning:

- Christian Understanding
- Character, Values and Ethics
- Intercultural Understanding
- Creativity in Various Arts
- Health and Wellness
- Outdoor Education
- Environmental Stewardship
- Communication and Life Skills
- Community Service
- Leadership

As a member of their dormitory community, each boarding student is expected to make a positive contribution to their dormitory's moral and social fabric. Over the course of the year, each dorm student is expected to be an active member of their dormitory community and to demonstrate responsibility, respect and commitment to their fellow dorm room-mates and their Campus Life staff.

One example of the dormitory program requirements is mandatory attendance at dorm devotions at 10:30pm (Sun – Thurs).

Each student is a member of the Campus Life Community. Four of the key mechanisms for fostering growth for students as members of the Campus Life community are:

- Campus Life Learning Opportunities – each student learns in a number of domains including: health and wellness, character and values development, Christian spirituality, sustainability and service and life skills.
- House Cup Competitions – Through Spirit Days, events at special Sunday Dinners (four over the course of the year), cumulative service hours, overall house academic average, and other activities over the course of the year, all four houses strive to lay claim to the title of 'best house' on campus for that year.
- All Campus Outings – Over the course of the year, there will be opportunities for outings where all students go off campus together to build camaraderie and community.
- Faith and Life events – These spiritual learning opportunities are one of the many value-added program pieces that dorm and day-students benefit from.

LCBI's Campus Life Curriculum utilizes these areas to engage all students to develop vital personal, spiritual, and moral knowledge, skills and values. After the student's experience at LCBI High School, he or she is very well equipped and positioned to make a successful transition to university life.

Student Leadership Program

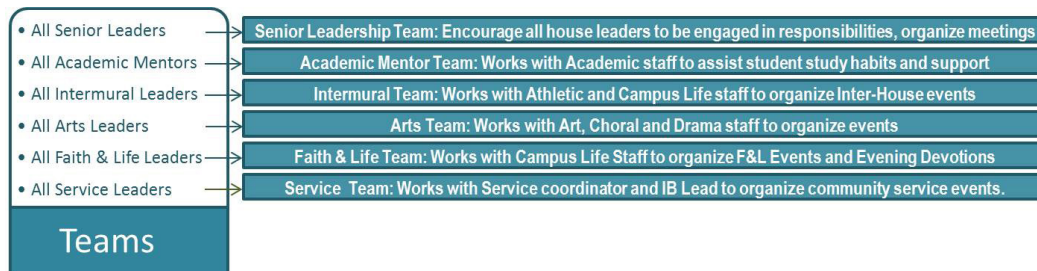

by Bob Akre, Student Leadership Lead

Do not let anyone look down on you because you are young, but be an example for the believers in your speech, your conduct, your love, faith, and purity. (1 Timothy 4:12)

L CBI's Leadership Program is intended to provide students with individual and team leadership opportunities. LCBI students are placed into one of four houses; Matthew, Mark, Luke or John. In each house there are six to eight leaders (six leaders for this first year) as noted in figure below:

The program provides a chance for our students to work as individual leaders within their respective houses and as a team to assist the school in executing all Campus Life programs. This is also an opportunity for the students to work directly with staff. The team roles are noted below:

The goal of this program is to develop our LCBI students into people who appreciate organization and leadership skills. Rather than staff organizing on behalf of students, students can take an active role in the various student functions. Students will gain maturity and appreciation of their peers and the school.

We see the students learning interaction skills, conflict resolution skills, tolerance, ambition, learning to work within teams all leading components of leadership. They gain a greater understanding that being a son or daughter of LCBI is to know you are loved.

Bob is going into his tenth year of service at LCBI, with six years as a member of the dorm staff.

Recruitment

by Shane Korol

The Recruitment Department has been hard at work since the announcement of the new Tuition Free Model. The application of this model would see zero tuition for all Saskatchewan students and a tuition fee equaling the SK provincial grant from education for out-of-province students. This announcement has generated a lot of interest from the local community and beyond.

Time was spent over the summer visiting both Camp Kinasao (Christopher Lake) and Kuriakos (Sylvan Lake) at their youth, teen and senior camps. LCBI has a strong relationship with both camps, and our pres-

ence is felt with current students and alumni who attend and volunteer at each camp.

Retention has been strong as all the students eligible to re-register for the 2016/2017 academic year have done so. In addition, there will be many new students from Grades 10 through 12 attending LCBI for the first time.

There are many great events taking place throughout the course of the new 2016-17 academic year. The first Spend-A-Day that will be taking place throughout the course of the year will be on Friday, October 14, the first day of Homecoming. Four more Spend-A-Day events will be taking place: November, January, March, and June (at the annual Open House).

Open Letter to Parents Considering LCBI

Dear Parent:

If you are looking for information about LCBI, then you are already aware that something in your child's education experience is not right. For my daughter, it was when she became a shell of herself. She did not like her school. She was no longer the happy little girl that we had raised. We home schooled her for a bit but we knew something was still missing. For your child it may be the same, or it may be that they are not being challenged, that they are in a crowded school, that they are not using their talents, or they may not be getting the educational support they need. Whatever it is, you know your child is not reaching their potential.

We sent our daughter to her first Spend-a-Weekend in her Grade 9 year. After spending just a few hours there, she came home excited and said, "That is where I want to go." We live in the same town as the school, so I didn't have the fear of sending her away to school, but honestly after seeing her excitement that evening, I would have sent her no matter where the school was.

LCBI was very welcoming to us, as parents. We toured the buildings, met the staff and were able to voice and address any concerns we had. While meeting the staff the question, "What makes LCBI so special?" was raised. A former staff member replied that, "The students don't need to wear masks; they can be who they are". Throughout the past three years I have been to many functions at LCBI, and every time I am there, I see exactly what this teacher was talking about.

LCBI is a small school that has a lot to offer. For it to succeed students have to get involved. The staff have a way of finding the students' hidden or neglected talents and nurturing them. Students are encouraged to try new things without the fear of ridicule. My daughter is not very athletic, but she actually joined a few sport teams; she wasn't the only one excited when she managed to hike up to the Tea House on a school trip to the mountains. It was also pretty amazing to watch some of the more athletic boys singing in the school musical and doing a really good job. Or seeing pictures of students who were very shy taking part in a talent show.

As my daughter prepared to say goodbye to her student days and became an Alumna of the LCBI family, I did a lot of reflecting on what makes this school so different. I think what makes this school different is that students are encouraged to share. Daily Chapel time is not only a chance to deepen one's faith but also a time of sharing and encouragement. For teenagers, sharing your feelings is not easy, but here, the students are given avenues that make it a lot easier. They get to run Chapel throughout the year, and they are encouraged to ask for prayer and support. Once you hear that others have the same struggles, it is hard to feel alone.

I know that LCBI may not fit everyone. But I also know what a difference that it can make in a teenager's life. All I can say is, try it out. See the difference it can make. We are now just waiting to be able to send our son there, and we are pretty excited to see how LCBI will help him grow.

Blessings, Tammy Felix, parent of a 2016 grad

Finances

The Financial Story of LCBI

by Awais Ali, Finance

Operating a non-profit with a \$ 1.9 million budget, being responsible for the payroll of 23 people, maintaining a campus, providing Christian education to over 65 kids and keeping them fed and comfortable all without knowing what income you will have to do this with each month – this is the challenge we face here at LCBI High School.

* tuition from out-of-province and international students and student activity fees

Donations income represents approximately 40% of the School's operating budget annually and 100% of the major capital projects budget. All members of the LCBI community are encouraged to voluntarily support the school each year through a range of giving options including gifts of stock, online and monthly giving as well as gifts-in-kind. Please consider joining them in making a gift today.

Gifts of Securities

Gifts of securities are a popular way to support registered charities, as it's a way of eliminating the capital gains tax otherwise

applied to the sale of publicly-traded shares, bonds, mutual fund units and employee stock options. To receive this favorable tax treatment, it is important that you donate directly to LCBI.

Sustaining Donor

Through the Sustaining Donors program, you can pre-arrange monthly, quarterly or annual donations to the School, conveniently charged to your credit card or Canadian bank account. Sustaining giving is easy and convenient.

Bequest

Making a gift to LCBI in your will is the most common type of planned gift. You can give a specific sum or property or a percentage of your estate.

HOW TO DONATE

By cheque payable to LCBI

By credit card: we accept Visa and MasterCard. Call Wayne Hove 306-867-8971 ext 106.

Online through CANADA HELPS using the Donate Now button on our website

By Certified Automated Funds Transfer (CAFT) - find the form on our website or call Darci 306-867-8971 ext 100

Thank you for your support!

Finances

The LCBI Fundraising team is dedicated to encouraging financial support and awareness for LCBI by inviting people to events that promote the school on campus as well as through e-mail and social media. We are excited to present two new opportunities for the fall:

Donate a Car

Do you have a vehicle that you are no longer using? Here's an opportunity to support LCBI! When you donate a vehicle, RV, boat, or motorcycle, it will either be recycled or sold at auction depending on its condition, age and location. Donate a Car Canada attends to every detail, and there are no fees for you or LCBI. Each donor is well supported and advised throughout the process. You can support the work of the school by following the link on the  LCBI homepage under the donations tab.

The LCBI Trade Show

Date: Saturday, Oct 29 from 10 am to 3 pm.

Featuring 40 vendors and artists, an 11:30 am fashion show by Jacq'y Jayes of Outlook

and a cappuccino café, all in the Chapel and Student Centre. The Lady Bison Fourth Annual Cliff Adelman Volleyball Tournament is another great reason to come see what is happening on campus that weekend.

Charlie, the Campus Cat

Charlie is a ragdoll, with long flowing grey, white, and chocolate black fur. He's very sociable, running up to people as they walk out the front door of the school and demanding to be cuddled. If he's within earshot, he'll come when students whistle.

"If you end up visiting the campus, don't be surprised to see one of the students lugging Charlie around; he's super friendly, doglike in a sense, and personifies the welcoming nature of the school. I'm not surprised such a cool school would have such a cool cat."
