## Cooperative Diversity

**T**his football season, I noticed a number of CFL players and coaches wearing T-shirts with the statement, "Diversity is Strength." I watch most all Roughrider games, and Coach Jones' green shirt with that expression in white letters really stands out. I agree with this expression only to a certain degree.

Diversity alone is not strength. In fact it can be quite divergent and chaotic. If when running, strong arms do not counterbalance strong legs, we stumble and fall ... the race will be lost. What we need is cooperative, coordinated diversity.

## Beauty

We need cooperative diversity working in our Lutheran denominations. From my desk as president of LCBI, I see a diverse beauty in our Lutheran denominations. I see the beauty of the Law & Gospel proclamations from the LCC ... it keeps us grounded. I see the beauty of the pervasiveness of Grace from the ELCIC ... it keeps us moving forward. I see the beauty of the priesthood of all believers in the Lutheran Brethren ... it keeps us humble and open. I see the beauty of the gospel preaching and discipleship from the NALC ... it keeps us edified and focused on the Great Commission.

I see each of the above in many congregations independent of Lutheran denomination including those in LCMC, CALC, AFLC and other Lutheran denominations and associations. Daughters and Sons and Friends of LCBI, we need these beautiful gifts working in cooperative diversity.

## Lutheran Process

During the world wars of the past century, enemies were known to share Christmas carols. We likewise can certainly find the grace to end angst between Lutheran denominations. I openly challenge the councils of each Lutheran denomination to create a simple declaration of respect and kindred spirit between signatories. I hold high expectations that during this Advent we share Christmas Peace, that by Epiphany we truly understand that Christ is not exclusive, that by Lent we repent of our criticizing and ostracizing, and that by Easter we rise to welcome each other into joint missions ... cooperative diversity!

## Unapologetically Lutheran

When on the cross, Jesus said, 'It is finished,' we believe him. At LCBI, we curb against glory theology, works theology, human spiritualism and secular humanism. At the risk of being too narrow, our campus pedagogy is focussed on Christ's forgiveness and love in our students' lives.

We do not make faith a work. It is the Holy Spirit that calls, enlightens and sanctifies. It is not our efforts to proselytize that will grow leaders for our churches and communities. The Holy Spirit, working in our environment, weaves the work of the Cross into the fabric of our students' lives. This is our mission at LCBI High School. We Would See Jesus!

## Peace and Good Will

Peace and good will to Lutheran Church Canada. Peace and good will to the Evangelical Lutheran Church In Canada. Peace

# From the President

and good will to the Canadian Lutheran Brethren Church. Peace and good will to the North American Lutheran Church-Canadian District. Peace and good will to our brothers and sisters in all Lutheran denominations and associations. Peace and good will to CLWR, CLBI, Luther College, LAMP, the camps, LuMinHoS and the host of Lutheran ministries.

Merry CHRISTmas and a future of Cooperative Diversity to all!

# Academics

by Andrea Klassen, Principal

We are excited to be well into the 108th year of LCBI! Opening Day was on September 3rd, and since then, we have settled into a busy routine of academics, athletics, arts, and many other activities.

The 2018–2019 year has seen an increase in student enrollment, a growth in our grade 9 program, and a large growth in the number of students living in dorms.

We have enjoyed supporting our volleyball, football, soccer, golf and cross country teams so far this fall, and we look forward to cheering on the other teams as we move into the winter and spring seasons.

The fall Leadership Retreat was a great weekend of community-building and the four Leadership teams have been busy planning, organizing and leading intramurals, chapels, banquets and other activities.

The Choir has been busy practicing and preparing for performances. Many of our students were involved in the local Equinox Theatre production this fall, and we look forward to seeing many of those students involved in the Spring Musical as well.

## Welcome New Staff

We have also added new staff to LCBI this year: **Kristie Sincennes** has joined as our Educational Assistant; the team of **Julianna Friggstad** (Head Cook), **Steve Forbes** and **Katie Forbes** make up our Kitchen Staff; **Alex Forbes** is our new Custodian; and **Chris Akre** has taken on the Maintenance Role. **Barb Friesen** has also been lending her expertise and has been available for our students as Counsellor.

We are proud of the successes that our students have already experienced this year; some have experienced improvements in academics, there have been successes in athletics, and there has been growth in faith. As the year progresses, we look forward to seeing more opportunities for our students and staff to grow, both individually and as a school community.

LCBI continues to be supported by our alumni; we are grateful for your prayers, presence and financial support. As I look back on the first few months of the 2018–2019 school year, I am thankful for another fantastic group of students and staff, and I look forward to what the rest of this school year will bring!

# Student Leadership Program

**L** CBI's Leadership Program is seeing growth this fall with the addition of scheduled activities and meetings. The program continues to offer students the chance to work in socially interactive teams while providing them with individual and team leadership opportunities. We continue to focus on the five initiatives in this program; Faith & Life, Arts & Music, Academic, Intra-Sport and Community Service.

We started the program this fall with the Annual Leadership Retreat during the second week of September. For two days the entire student body and staff moved to Elbow Bible Camp. Our guest speaker, Pastor **Scott Kopperud** led us through sessions on youth leadership. We allocated everyone into a particular house group; Matthew, Mark, Luke or John, and then students got to pick which leadership team they wished to participate in.

Led by our eight senior house group leaders, the students have been busy planning and

participating in weekly Wednesday evening activities, student led Friday chapels, monthly Take Out Tuesday's and a Fall Banquet. Our Wednesday activities have consisted of Praise and Worship sessions, student guided "Supe"rvised study times, intramural activities and Coffee Houses. The Coffee Houses have included a Live Band student and staff jam session and a karaoke night. Twice a month house groups meet to plan for upcoming sessions and chapels as well as rehearse and plan their house plays that will be performed in February.

The goal of LCBI's Leadership Program is to help our students develop organizational and leadership skills. Rather than staff organizing events on behalf of the students, now the students take an active role in the various student functions. Students gain maturity and appreciation of their peers and the school. It is a joy watching the students build school spirit and grow in their leadership abilities through the program.

*This year's House Group leaders are: House of Matthew – Katherine Meagher and Kal Berggren; House of Mark – Sherrissa Clark and Justin Morken; House of Luke – Hannah Rude and Leif Haugen; House of John – Alexa Ridgewell and Thomas Bratvold.*

# Seeing Jesus Through Camp Ministry

by Kenny Olson, Class of 2006

I attended LCBI from 2003–2006. After graduation I jumped right into the world of camp and church ministry. I spent the summer of 2006 travelling around Alberta and Saskatchewan doing Vacation Bible Schools and Summer Camps. It was that summer that really sparked my interest in Camp ministry.

After finishing my first year of biblical studies at the Canadian Lutheran Bible Institute (CLBI) in Camrose, I began working as summer staff at Wilderness Ranch near Claresholm, AB. I quickly fell in love with the beautiful creation surrounding that place, the opportunity to work with horses, the laid-back cowboy culture of southwest Alberta, and most importantly, the opportunity to share Christ with the kids who came to camp.

I continued coming back to Wilderness Ranch for the next four years as I finished my education at both CLBI and Concordia University College in Edmonton. While living and studying in Edmonton, I also had the special opportunity to be mentored by and work with Pastor **Glen Carlson** at Emmaus Lutheran Church. This was a special season of learning and growing as I got to glean insight from Pastor Glen's tremendous knowledge and experience.

While working at Wilderness Ranch, I met a pretty amazing girl named **Shelly Rawling**, who later became my wife. After getting married, I thought I should go get a real job, so I studied at Lethbridge College to become an electrician and wind turbine technician. I spent the first five years of our marriage working in the wind energy industry near Pincher Creek.

and his family*

In 2017 God called me back into ministry, and I am now working as the Camp Director at Wilderness Ranch. This new role has stretched me in ways I could not have imagined; however, it also taught me to trust in God so much more than I had been. God's faithfulness to us and to his church is so incredible and without end.

## A Passion for Camp Ministry

I am passionate about camp ministry and what God is doing in Camp ministry. Every year at camp, we see children read a bible for the first time, pray to God for the first time, or ask Jesus into their heart. What a tremendous opportunity!

One of my favorite bible verses is Philippians 1:6, which reads, "He who began a good work in you will carry it to completion." God is doing good work in the young people who are going to bible camp all across our country. This is an amazing promise that God is going to complete. God is going to keep working from those first prayers said around a campfire. God is faithful to us regardless of our faithfulness to him. To be a part of those first seeds of faith being planted in such an honor and such a privilege.

## Wilderness Ranch

Wilderness Ranch is a non-profit located in Southwestern Alberta. Originating in the late 60s, Wilderness Range was formally established as a summer camp in the mid-70s. It expanded in 2003, when it purchased Mountain Valley Ranch from **Elmer and Martha Rawling**. We currently operate our summer program out of both locations: Wilderness Ranch (west of Claresholm) and Mountain Valley Ranch (northeast of the Crowsnest Pass). Wilderness Ranch now does

pack trips, week-long camps, family camps, and retreats out of both locations.

Wilderness Ranch has impacted thousands of children and teens over the years, all of whom have had a chance ride horses, camp out in the wilderness and hear the gospel of Jesus Christ. Wilderness Ranch runs a herd of about sixty horses split between the two locations.

Our slogan 'where God's grace runs free' is still preached and is a focal point of why we do what we do. Wilderness Ranch exists to lead people to Christ. One of the best places to do that is in God's magnificent creation.

## Foundation of Faith at LCBI

LCBI was a fond three years in my life. From playing sports, to going on choir tour, to attending ski trips, there was always something exciting happening and always a great group of friends to enjoy it with.

It was the grace-filled environment of the LCBI campus that gave me room to explore questions of life and faith. More importantly, it allowed me to make mistakes and learn from them.

At times I look back and wonder, what if I would have done better during my time at LCBI? What if I would have studied more, or trained harder, or even just obeyed the rules better? Rather than seeing this as a shortcoming, I see it as a testament to the edification that took place during my time there.

LCBI didn't just give me a high school education. It gave me a foundation of faith and trust in Jesus Christ that was level and true and easy to build upon.

## A Successful Season for Sports

by Leah Adelman, Athletic Director

**T**he fall has been a busy season for our Athletes at LCBI. We are one of a few rural schools that can field teams for every single fall sport. Our boys were busy

with football, soccer, volleyball, golf and cross country, while our girls participated in soccer, volleyball, golf and cross country as well.

Not only did we field teams in every sport, but many of our teams had exceptional seasons. Our Bison Football team advanced to the Provincial quarter final for the first time in years, losing to the eventual Provincial Champions, the Hafford Vikings. We also advanced a golfer to Provincials and several runners to Cross Country Provincials where they all represented LCBI High School with grace and dignity. And lastly, the girls volleyball took a run at Provincials in Carrot River where they narrowly missed a bronze medal and finished 4th in the Province.

Now with snow on the ground, everyone looks forward to basketball season on campus. The boys A team is coached by Alumnus **Damon**

**Berggren**, who has hopes of making a return to Hoopla with his squad, with the help of long-time veteran, **Cliff Adelman**. The boys B team will be coached by **Shane Korol** and the girls team by **Leah Adelman**.

Sports at LCBI has been and will continue to be about growing our athletes into better leaders and people both on the court and in their other communities. The banners on our walls, though they represent our historic achievements, become secondary to the people we are creating in our gyms.

The gym is the best classroom in the world. It allows our athletes to experience the joys of victory, tears of defeat, the value of hard work, all while in a safe environment. This allows our athletes to build character and create values and grow into stronger individuals, firm in their beliefs.

LCBI Athletics are our avenue to use our God-given gifts to bring glory to God and demonstrate our school motto, "We Would See Jesus," throughout our province during our season travels.

## Three Projects to Support

by Victor Calvin, Financial Officer

**T**he school year is well underway, and we are now in a position to assess where we are at and where we need to go this year. Donations represent 36% of the revenue in

our annual budget. Donations to the General Fund are greatly needed, contributing towards our daily operations of the school and dorm facilities. Project-specific donations allow us to improve those facilities, equipment, and resources available to support our students. As a historic high school, we do not receive any capital funding from the provincial government.

### 1. Dorm Renovations

In September, we re-opened the first floor of the boys' dorm and renovated the washroom facilities on that floor. It was a much needed upgrade and provided a boost in morale for staff and students alike. We need to continue that work on the second floor in anticipation of future student growth and also for the upcoming youth convention that we will be housing in May.

### 2. New Vans

This past summer, one of our 15-passenger vans, "Billy," failed inspection; we were advised that "Joel," the other van, isn't far behind. As such, we have financed two almost-new Ford Transit 15 passenger vans (*right*). Everyone feels much safer driving in the newer vans, which also offer significantly better fuel economy. LCBI is currently managing the required monthly payment, but we would like to pay them off as soon as

possible to reduce interest costs. Designated support for vans would be appreciated! We also need to arrange some decaling for the vans. Let us know if you can help with that.

### 3. Chaplain Position

The third project is restoration of the Chaplain position. LCBI has not had a Chaplain for about four years, and although we have filled the gap with counselors and staff who diligently and caringly support our students at all hours of the day, it is becoming clear that LCBI needs to have a Chaplain again.

The Chaplain position has been the focus of the Donate-Your-Change campaign, which is a program that "rounds up" your purchases on your debit or credit card providing a relatively small but meaningful monthly donation to the school. LCBI is also welcomes regular donations specifically designated for the Chaplain position.

### Thanks for Your Help!

If you would like more information about providing financial support in any way to the school, please do not hesitate to contact President Hove or me. LCBI could not operate without the continuing and generous support of the Alumni. Thank you for the support you have provided in the past. I trust that you will continue to provide in the future to ensure this important ministry continues.

# CHOIR & Drama

*Above & below: Highlights from Aladdin Jr., the 2018 Spring Musical performed June 7, 8, and 9 at LCBI.* Cast: **Aidan Codling** (Aladdin), **Meredith Bruce** (Jasmine), **Alexander Haugen** (Genie), **Daniel Yanez** (Jafar), **Khaya Reddekopp** (Sultan), **Ellie Reddekopp** (Iago), **Lucky Keleta** (Razoul); narrators **Alexa Ridgewell**, **Katelyn Annala**, **Hannah Rude**, **Sydney Chadwick**, **Josie Wright**; with **Wyatt Johnson**, **Abe Fimbo**, **Trason Ridgewell**, **Andy Delaine**, **Ella Hopkins**, **Thomas Bratvold**, **Sherrissa Clark**, **Katherine Meagher**, **Nyah Hopkins**, **Leif Haugen**, **Brennan Hefner**, **Christa Woudwijk**, **Nifemi Adebawale** and **Birgitte Friggstad**. The musical was directed by **Mrs. Ridgewell** and **Mr. Codling**.

**T**he 2018-19 Concert Choir sounds great! Over 40% of the student body have joined this year. Ten of them (the Chamber Choir) delighted an audience of almost 300 people at the LuMinHoS (Lutheran Ministry in the Hospitals of Saskatoon) “Bridges of Hope” dinner on November 3 at TCU Place in Saskatoon (*left*). That group also sang December 9 at a Kinasao fundraiser hosted by **David** and **Kirsti Haugen**. Both choirs sang with the Outlook Men’s Chorus at the Christmas Concert on December 13.

## Spirit Days and Giving Back

by SRC Advisors Victoria Skelton and Darci Morken

This year the LCBI SRC has 22 members from grades 9–12. They are an enthusiastic group and have been involved in our canteens and fall fundraiser as well as planning events for the Student Body. Earlier this fall, the SRC arranged Spirit Days and a Hallowe'en evening of fun activities for the students of LCBI.

More Spirit Days as well as Winter and Spring Carnivals are some of the upcoming activities that they are planning. With the funds raised through canteens and our Chocolate Bar Blitz in the fall, the SRC has decided to donate back to the school. They have purchased a Water Bottle Filling Station/Water Fountain for the school and a Projector for the Student Centre. They are also looking at helping with the purchase of new Lady Bison basketball uniforms.

## More than Dorm Supervision

*by the Campus Life Team*

**O**ur Campus Life Staff this year are **Lynne Hermanson** (9 years in the Kitchen, 2nd year Campus Life staff), **Curtis Akre** (5th year), **Bryan Balaton** (4th year) and **Victoria Skelton** (2nd year).

The Campus Life staff work outside of academic hours and during weekends. There is one male and female staff member on at all times. We have changed our name to Campus Life Staff from Dean/Dorm Staff to better illustrate that we are not just here for the dorm students; we are here to support the whole student body. LCBI is a special place where even the day students spend most of their after school hours on campus. Our campus is a busy place right into the late evening.

During the week, students are busy after school with sports or homework. In the evenings on Mondays, Tuesdays and Thursdays, there is supervised study. Dorm students are required to attend and day students are encouraged to attend. Wednesdays are 'downtown day,' with Leadership Events in the evening. The Leadership Events are a great way for students to get involved in planning and participating in activities. As Campus Life Staff, we strive to support all students on campus to participate in Leadership Events. On weekends, students are able to stay on campus, go downtown or sign out.

Our role is to get to know the students, understand their strengths and weaknesses, personality and special gifts.

Dorm students are encouraged to help with all aspects of campus life. The Campus Life Staff schedule one student per evening to help the kitchen staff with clean up after supper. At curfew, there is a devotion read by students in each dorm. After devotions, students complete their cleaning duties for their dorm, which they are assigned on a weekly basis.

The LCBI campus includes the classroom building, boys' dorm, girls' dorm, kitchen, Chapel and Student Center. The girls live on the first and third floors of Old Main. The boys live on first floor of the boys' dorm. This leaves two floors in Old Main and the second floor of the boys' dorm open for renovations. LCBI is helping to host a youth conference in May 2019. Now is a great time to renovate the open floors to get ready to house youth groups from across North America. We are looking forward to introducing LCBI to these youth groups in hopes of recruiting future students.

As Campus Life staff, we see great opportunities for growth on campus, and we appreciate the continual support of all alumni!

# GRADUATION 2018

## Valedictory Address

by Mari Friggstad and Alexander Behenna

**Mari:** Good afternoon, and welcome to Grad 2018. First off, we would like to thank you for the opportunity and honour of being your class Valedictorians. We would also like to recognize the people who got us to this point — our parents; our teachers; the staff of LCBI; our Grade 9, 10, and 11 students; and most of all, our classmates.

Happy Mother's Day to all the moms out there, especially our own. We couldn't have done this without you, obviously.

**Alexander:** In the three years I've spent at this school, I've seen many of my classmates grow from 10th graders to the capable group of young adults I see here today. Some of us have been here for three years; others became part of the LCBI family just this year. However and whenever we came to this school, what's important is that we're all here now, sharing this great moment.

I think LCBI means something different to us all, but to me, LCBI has always been a place of education. I think education is a gift which we often take for granted. My time at LCBI has been nothing if not educational. It wasn't always easy; it wasn't always enjoyable; but it was always educational. With an open mind and a desire for knowledge, you can learn something new every day you spend here. Sometimes it's about Trigonometry, sometimes it's about Biology, but often you learn something new about yourself. I learned lots about myself here, and for that I will always be thankful.

**Mari:** Living as a family in this place means we had to learn many many new lessons about how to treat each other. In any functioning family, respect and love are two of the most important features. At LCBI, our teachers taught us this lesson in many different ways:

- ◆ **Mr. Delainey** in reminding us to find a different perspective
- ◆ **Mrs. Engen** in urging us to listening to voices that are otherwise silenced

### *LCBI's Class of 2018*

*Second Row: Michael Armstrong, Jesse Voth, Alexander Behenna, Dylan Johnson, Samuel Walz.*

*Front Row: Meredith Bruce, Piper Boon, Mari Friggstad.*

# GRADUATION 2018

- ◆ **Dr. Pennington** by showing us that a simple compliment or a chipper “*Buenos dias*” can change your whole day
- ◆ **Ms. Klassen** through her endless patience and example of peacekeeping
- ◆ **Mr. Codling** in his ability to respect and connect with people free of judgement
- ◆ **Leah**, in encouraging us to try harder, and to prioritize people and relationships
- ◆ **Mr. Sorenson** through his genuine respect and friendship he has for people years younger than himself.
- ◆ **Mrs. Ridgewell** in showing us how Christ-like families act toward each other by adopting us into her own family

Being in this family has also taught us where to turn in tough times. Family bears with each other and supports one another. We have certainly gone through our share of tests and trials personally, but we always come together at the end of the day to share them with each other and with God through prayer. Whether we pray for clean air, for patience, for trucks, or for **Nolan**, prayer has always been the bedrock of our family.

So, as if we were in **Mrs. Ridgewell’s** class, please join hands with your neighbor and join us in saying the Lord’s Prayer.

*Above: Alexander Behanna and Mari Friggstad give the Valedictory address at Graduation 2018*

**Alexander:** We would like again to thank all of our classmates and the rest of the student body, all the teachers and all the staff, and all of you who have come out to share this special moment with us. We also thank our families, especially our mothers, on this special day. We have been granted the gift of education and the wonderful gift of life, and I look forward to seeing what plans God has in store for us. Thank you all, and God bless.

Everett **Thykeson**, died July 25, 2018

LCBI will be housing a Lutheran youth convention in May 2019. Sixty to eighty students will come to our campus and see how LCBI grows leaders for the church and community.

To ensure these kids have a great experience, we must add 30 bunk beds to both the girls' and boys' dorms, renovate two washrooms, and upgrade the flooring in the boys' dorm. Twenty-Four rooms will be renovated at a cost of \$2,500 each, totalling \$60,000.

A volunteer building crew of LCBI alumni will begin renovating in January, so we need funds as soon as possible.

Here are ways **you can contribute** to this campaign:

- Send a cheque or money order by mail, with "Dorm Renovations" on the memo line
- Give by e-transfer to [accountant@lcbi.sk.ca](mailto:accountant@lcbi.sk.ca) (please email or call Victor to give him the password to receive the transfer)
- Give by credit card or PayPal online through our [CanadaHelps](#) page to "Dorm Renovations"
- Give online through the "LCBI Youth Convention Renovation" [GoFundMe](#) page

Your gift will let students who otherwise would not know about LCBI see the benefit of 'We Would See Jesus' in their lives!
