EXPECTATIONS

General Expectations:

At LCBI there are expectations for living within a campus community. The vision of LCBI is “to minister to the whole person as we live, learn, play, serve and worship together in a dynamic Christian community.” Our vision of community is informed by the commitments made in our baptismal covenant, in which we strive to: Live among God’s faithful people; Hear the Word of God; Share in the Lord’s Supper; Proclaim Good News through Word and Deed; and to Strive for Justice and Peace.

To achieve this goal of community, in which staff, parents and students express mutual respect for one another, we require certain standards of behaviour. These expectations include support of school events by students, parents and staff, respect of property, respect of each other, and respect of school authority and rules. This means consideration and respect for each person and the facilities, as the first principles of life in community. Academic faculty, office administration, campus life staff, and parents must work together as a team with a clear understanding of consistent standards and procedures. We will strive to teach students to be responsible, to make good choices, and to respond to each other and to adults in appropriate ways. These are lifelong skills.

Regulations, rules, policies, and procedures pertaining to the campus are also based on the following facts:

1. LCBI is a legal entity established by the Province of Saskatchewan. We are obligated to support the laws of the community of which we are a part;
2. LCBI is a fully accredited school with the Ministry of Education, Saskatchewan Learning, teaching approved Saskatchewan curriculum, and its students, parents and staff are legally required to follow the Education Act (1995);
3. As a landlord, LCBI is obligated to protect its property from abuse;
4. As a dormitory school, LCBI is obliged to make certain that the experience of living on campus contributes fully to the educational objectives;
5. As a school of the ELCIC, we see our ministry as one of serving the church as an educational institution.

At LCBI, we will demonstrate respect for all people by:

- Being considerate, courteous and respectful.
- Listening to and following directions of all staff in the given circumstance.
- Being on time and prepared for class.
- Keeping hands, feet and objects to themselves.
- Showing respect for school property and the property of others.
- Bringing problems and concerns to the attention of an adult.
- During special events students and staff are asked not to use cell phones or other tech devices.

Restorative Justice:

LCBI follows the model of restorative justice to help students develop self-discipline in controlling their behaviour. A school with restorative justice as a guideline will create conditions for the person to make better choices and return to the group strengthened. It is hoped that this discipline will help the students to be able to create the attitudes needed to use appropriate behaviour in all situations, and grow as good citizens.

Students can expect ALL STAFF to provide corrective assistance to help the student take responsibility for their behaviour. It is expected that academic faculty will deal with classroom situations as they arise. Discipline may come in the form of reminders, warnings, loss of privilege, detention, work duties and possibly suspension. Staff will deal with student discipline in a firm, caring and loving manner.

ACADEMIC LIFE

*“Whatever your task, put yourselves into it, done for the Lord and not for your masters”
Colossians 3:23 NRSV*

LCBI seeks to provide a safe and caring environment that will allow students to achieve their best in their education. In general, we expect that students will conduct themselves in a manner that demonstrates RESPECT and RESPONSIBILITY.

Basic Rights and Responsibilities:

- I have a right to learn. Therefore, it is my responsibility not to interfere with others.
- I have a right to hear and be heard. Therefore, it is my responsibility not to interrupt others.
- I have a right to be respected. Therefore, it is my responsibility to respect other people.
- I have a right to be safe. Therefore, it is my responsibility not to threaten others.
- I have a right to privacy. Therefore, it is my responsibility not to interfere with others. That being said, instructors and supervisors have the responsibility and duty to ensure that any materials used or accessed or activities engaged in are not unsafe, offensive or obscene, and are appropriate for life and education at LCBI.

		House Groups (mandatory for all)	2:30 – 3:15 PM

*Note: Choral/Advisory times will be staggered between 12:10 and 1:25 to accommodate physical distancing in the cafeteria.

Classroom Standards:

- Classroom teachers will set standards in their respective classrooms.
- Students are not allowed to bring food or drink into any classroom (including the computer lab and study hall), other than closed water bottles or travel mugs, and students may not share food or drink.
- Day students will be assigned a school locker on Opening Day, and provided a school lock (if they wish). If locks are not returned at the end of the school year, a fee of \$10.00 will be charged.
- Students will strive to help keep the plinth area free of books, backpacks and other materials.
- Cell phones are not to be used during class time or any LCBI function which would include such events as church, coffee houses, chapel, guest speaker presentations, award banquets, etc. There will be escalating discipline if students choose to use cell phones at inappropriate times. Cell phones may be kept in the Principal's Office during the day or sent home if used inappropriately.
- Classroom teacher policies will dictate the use of electronic devices. A general rule is that they will not be allowed during instructional time. Students are welcome to listen to music on their cell phones during Study Hall and SUPE, at the discretion of the staff supervisor.
- Separating the academic day from dorm life: during the academic day, there is little need to go to your dorm room or for the day students to be in the dorms. In order to maintain a healthy separation between dorm housing and the classroom building, dorms may be locked from 8:45 AM – 12:10 PM and 12:55 – 3:25 PM. Day students are not permitted to enter the dorms at any time of the day.

Study Hall Standards:

**A student may take a Study Hall when it can be demonstrated to be in their interest, such as needing additional work time to keep up with their studies or if a class may not be available for that student. All study halls must be approved by the Principal.

- Attendance for scheduled Study Hall periods is compulsory. Each Study Hall will have a supervisor and this is treated as academic time.
- In the event students do not use Study Hall time wisely, they forfeit the right to further Study Hall periods and may be required to sit in a classroom.

Homework Room:

Every day, from 3:30 – 4:00 PM, there will be a homework room for students who have missing assignments and/or have been late to school that day. Attendance is mandatory; a teacher will supervise each day and attendance will be taken. Homework room comes before practices, games and personal commitments. The goal of the homework room is to give students an opportunity to complete missing work while also holding them accountable for their work. A supervised homework room will also offer a support system for students throughout the semester.

Dress Code:

The dress of students at LCBI must be respectful, appropriate and modest, reflecting the standards of the school. Should it become necessary, ANY staff has the right to ask a student to change.

- Hats are not allowed in class during the academic day. Hats must also be taken off during meals in the cafeteria.
- Students must wear footwear in the classroom building and the cafeteria.
- The following clothing items are prohibited:
 - Items directly or indirectly depicting or referring to drugs, alcohol, tobacco, violence, death, profanity, nudity, vulgarity, obscenity (any sexual or racial advocacy) or other socially inappropriate or provocative message demeaning to any race, religion, sex or ethnic group or which advocate the violation of the law.
 - Revealing or provocative clothing, such as tops that expose bare midriff or cleavage.
 - Tops which are see-through, have spaghetti straps, or have less than three finger widths of coverage on shoulders.
 - Sagging pants that fall below the hip bone.
 - Shorts/skirts with high slits or that expose more than half of the thigh.
 - Bracelets, necklaces, or other accessories containing lewd, sexual, suggestive, vulgar, disrespectful, or otherwise inappropriate material.
- Consequences for wearing inappropriate items can include:
 - You will be asked to make a "change" for the positive, or will be provided an outfit to wear.
 - Continued dress code violations may include parent notification, office referrals, and suspension for insubordination, and even long-term suspension for repeated offenses.

- As with any policy, inclusion of all possible situations is difficult. Please remember, the LCBI High School staff may sometimes have to use their discretion regarding student dress.

Vehicles (Day Students):

Day students that drive to campus are expected to use their vehicles responsibly. Vehicles are for transportation to and from school only. Day students who abuse this privilege may be asked to leave their vehicle at home. Day students are asked to park their cars in the Student Parking lot only. The main parking lots are for staff and visitors. Vehicles are not places to hang out during the academic day. Day students must ask permission to leave campus during lunch hour. The general rule is that vehicles will remain unmoved during the academic day.

Vehicles (Dorm Students):

Dorm students are expected to park vehicles in the Student Parking lot only. Vehicles are not to leave campus during the academic day unless permission is given by the Principal's Office. Students using a vehicle to leave the town of Outlook must be signed out with Campus Life staff.

General Attendance:

- Students must attend a minimum of 85% of classes. There is a maximum of 15 missed classes (excused and unexcused) in any class. Students may lose their privilege to complete a class if significant attendance issues occur. Extensive absences from classes will result in a review of the student's continuance at LCBI.
- Parents must notify the Main Office when absences occur. Please email or call the Main Office at office@lcbi.sk.ca or (306) 867-8971 ext. 0
- Schools are legally required to note the specific reason for an absence in the Student Data System so please be clear on the reason provided, or one will be asked of you.
- If a student is going to be absent for an extended period of time (three days or more), we would ask the parent to complete the Extended Absence Form, available from the Main Office. Please complete and return to the Main Office as soon as the extended absence is known.

Class Tardiness:

- To maintain class harmony and consistency, and to ensure the most of the education offered at LCBI, all LCBI students must be on time for classes.
- Students must be on time a minimum of 85% of classes. If a student is tardy for 15 classes (excused and unexcused) the student may lose the privilege of completing the class.
- If a student's tardiness becomes a bigger issue, parents will be notified and escalating consequences, including In-School Suspensions, will occur.
- If late, students must sign in at the school office before going to class.

Health Policy:

Dorm Students who are unable to attend classes due to illness are required to be in contact with their respective Campus Life Staff before 8:15 AM. As a general rule, the student will be excused for the full morning and/or afternoon. Teachers cannot excuse a student for period 1. The student may watch their extra-curricular activities but not participate that day, or may need to be in the dorm and miss extra-curricular activities altogether. This is at the discretion of Campus Life Staff, Activity Supervisors and the Principal's Office.

EXCEPTION: If a student is unable to continue in class due to illness, the student will tell their current teacher or next class teacher (if during a class break), or check in with the Principal's Office. The student will then be excused for the remainder of the morning and/or afternoon classes.

What to do when you are sick:

1. Regardless of illness, students will spend their academic day in the dorm. You may be "dormed" that evening in order to get extra rest and you will be expected to not engage in social activities outside the dorm.
2. The sick student may, if feeling well, go to the cafeteria for lunch or have a sick tray brought to them by a roommate/friend. The person who brings the sick tray is also expected to return the sick tray to the cafeteria.
3. If the student is ill longer than two days, a doctor's appointment may be made, and if illness continues the student may be asked to go home until they are well. This is to give the ill student better opportunity to quickly return to health at home and also out of respect for the rest of the student body.
4. If the student begins feeling better through the day and feels able to attend, he or she should speak to the Principal before returning to class.
5. Any medical appointments in Outlook will be made by Campus Life Staff. A staff member will also arrange transportation to each appointment. There will be a charge per ride for appointments.
6. It is important after an illness to wash bedding and clean the dorm room; this is out of respect for the roommate and the sick student's health.
7. If a student misses a weekend tournament, church, or other mandatory weekend event because of sickness, the student may be required to be in the dorm for that day and possibly the whole weekend, at the Campus Life Staff's discretion. This is so that students can get adequate rest and sleep so they can return to health more quickly.

Prescription and Non-Prescription Medicine Provisions

- Day students who require prescribed controlled medication during the academic day will be required to fill out Form M-1. Student medications will be stored and locked in the Principal's Office, and tracked and dispensed using Form M-2, Daily Medication Record, also through the Principal's Office. The tracking form (M-2) will also be used if medications need to be dispensed during Campus Life hours.

- Non-prescription medications, such as Advil, Tylenol, and the like will not be supplied by LCBI. Students will need to provide their own non-prescription medications. Only under extenuating circumstances will the Office dispense non-prescription medications. This will only be done once parent permission is received.

Examination Policy:

LCBI students write final exams in several subjects. Teachers will schedule final exams for elective courses at their discretion. Notification of mandatory final exams (including Departmental exams) will be included in the Course Instruction Plan given to students at the beginning of both semesters.

Evening Study Hours (SUPE):

LCBI sets aside time for supervised study (SUPE) from 8:00 – 9:00 PM on Monday, Tuesday and Thursday (Wednesdays from 8:00 – 9:00 PM will be house group activities). This time is compulsory for all dorm students as an opportunity to catch up and complete required homework assignments, and day students are also welcome to participate in SUPE, as long as they are on time and follow the same rules that apply to dorm students. A teacher will be available in the Study Hall to assist students in their studies at this time. The Principal's Office will provide a rotational list for the students, requiring them to be in the Study Hall a minimum one night of the week. Students are allowed to be in the Study Hall on other nights, with permission of the supervisor and Campus Life Staff.

Note 1: Some students will be candidates for extra SUPE days, as requested by the Principal's Office or by request of the parent or a teacher. The reasons may include attendance concerns or academic struggles.

This time is meant for studying, homework, and assignment completion – regardless of whether a student is in the dorm or study hall. If a student is late or unexcused, the teacher supervisor will graciously provide logical consequences.

During Dorm Supervised Study, students will be required to maintain an environment conducive to studying. The expectations will be the same as in Study Hall. Music or other noise should not be heard outside of your room.

During evening study hours in the Study Hall, the atmosphere should be quiet and standards of the classroom shall apply. Students are required to arrive by 8:00 PM and must remain until 9:00 PM. If a student chooses to be in SUPE but has not been assigned, they may leave when they have completed their work. Behaviour not in keeping with a classroom will result in a day or dorm student being asked to leave. Please remove your items when you leave the study hall.

Note 2: Day students who are on campus during SUPE must be in the Study Hall. The same expectation applies to Wednesday night house activities – any day or dorm students who are on campus from 8:00 – 9:00 PM on Wednesdays are expected to be participating in the house activities.

Computer Lab:

Our lab includes PC computers with Windows. Each of the computers in our lab is connected to the Internet which makes this space a valuable educational resource. Students need to treat this area with a high degree of respect and consideration to ensure the smooth functioning of the technology. Computer lab hours will be from 8:30 AM – 3:30 PM, Monday to Friday as well as during supervised study hours in the evening. Computer lab usage during non-academic hours will be up to the discretion of the Campus Life staff.

All students who bring their own laptop/desktop computers to school will need to have an up-to-date Anti-Virus installed to access Internet privileges. Students will need to consent to an additional Internet security program as well.

Students are cautioned to remember that any information posted to the Internet (e.g. Facebook, Snapchat, Instagram) is public. Any information posted that is hurtful, threatening to another person or describes illegal activity can be made available to the authorities. There will be significant consequences for misuse of the computer lab and its contents.

Library:

All books must be checked out before being taken from the library. The loan period is TWO WEEKS. Books may ordinarily be renewed, unless they are in high demand for a class assignment. Reference books (e.g. atlases, dictionaries, and encyclopedias), magazines and files are to be used ONLY in the library or study hall.

Fire and Safety Drills:

There will be fire drills throughout the school year. They are important since they may be the means of saving lives in case of fire. For this reason, each drill must be taken seriously.

When the alarm sounds, students will proceed out of the building in an orderly fashion, according to the exit instructions for each classroom. The academic staff will close windows and doors, and take attendance to make certain no student is missing. In the event the alarm goes off in-between classes or other non-class time, everyone is to gather at the plough in front of the school building.

If an alarm goes off in one of the dorms during the night, students will proceed out of the building in an orderly fashion, according to the exit instructions for each floor. The Resident Assistants and on-duty Campus Life Staff will check rooms and bathrooms and close all doors before heading out to the plough. The Campus Life Staff person will be the last to leave.

Academic staff and students will return to the building only on signal from the Principal or Campus Life designate.

Classes Offered:

LCBI follows the Saskatchewan Learning credit requirements for high school graduation, and follows Grade 9 curriculum for promotion to Grade 10. Grade 10, 11, and 12 students must choose enough elective classes to maintain their total for the semester to a minimum of five classes (excluding Choral). Classes may only be dropped in consultation with the Principal and parents before the given deadline. Deadline to drop Semester I classes is September 25th, 2020, and the deadline for Semester II classes is February 16th, 2021.

IMPORTANT NOTE: Whereas the Christian Ethics program is tied in with the nature and philosophy of our school, it is mandatory for ALL students to be actively involved in, and to receive evaluation for such involvement in the Christian Ethics classes while they are attending LCBI. In addition, Christian Ethics 10, 20 and 30 are credit substitutions for PAA/Fine Arts credits needed to graduate.

Distance Learning:

Distance Learning Courses must be set up in consultation with the Principal. The student will be responsible for paying for their course.

Report Cards:

There will be three official reporting periods each semester: an interim report (typically without marks) at the end of the first month, a mid-semester and a semester-end final. After each reporting period, report cards will be emailed home (for dorm students) and printed off (for day students). Final exams will be written at the end of each semester (in January and June).

Gradebook Program:

We will be using Google Classroom to track grades. All students will be given a LCBI email address and set up with Google Classroom in September. More information will follow.

Awards:

Academic and Extracurricular Excellence is recognized at Awards Night in several ways: scholarships are awarded; students with the best performance in each grade and most improved students in each grade for the year receive medallions; Certificates of Excellence are awarded to those who achieve an average of at least 80% in a subject; and other areas of accomplishment are recognized, including the "Spirit of Youth" award presented to a student who exemplifies life at LCBI High School.

Scholarships:

Several scholarships are offered to returning and graduating students of LCBI. Application forms are made available in the spring. Many other scholarship opportunities are presented to help with the expenses of further education. The Principal's Office will provide some guidance regarding post-secondary scholarships and awards, but students and their parents are encouraged to initiate their own opportunities.

Graduation:

To be an eligible member of the graduating class, each student must have the potential to graduate during the current school year. Clarification of credits needed should be completed with the Principal before Christmas break.

Graduation 2021 will take place May 7th to 9th. It is a time during which we celebrate the academic achievements of the students who have the potential to complete their Grade 12 during the current school year. The staff and student body join together to congratulate and to honour the graduating class during a festive weekend. All grade 9, 10, and 11 students are required to remain on campus to assist and to share in the joy of the occasion with their friends. During graduation weekend, all grads who are dorm students are required to remain on campus and sleep in the dorms.

The basic schedule of graduation events follows this format:

Friday May 7 th :	Evening class barbecue with regular curfew
Saturday May 8 th :	Family photos as arranged Class picture Grad Banquet (staff, grads and parents only) Grand March Talent Show Presentation follows
Sunday May 9 th :	Worship Service Graduation Ceremony
Monday May 10 th :	Grad breakfast for graduates

- Alcohol and illegal drugs or misuse of legal drugs are not permitted on the campus and their use by students is prohibited. Parents and students need to know that if students use these substances anytime or anywhere during grad weekend they will be unable to take part in the activities that are planned. Parents must also remember the LCBI campus is an alcohol-free zone.
- A grad fee is assessed to every student who is part of the graduation class. This fee is used to cover the basic expenses of graduation which includes the cost of gown rental, sitting fee for yearbook and class pictures, basic package of invitations, grad barbecue, banquet and breakfast expenses.
- The grad banquet is by invitation only and each grad is entitled to two invitations (usually mom and dad). The space in our dining area limits the number of people that can attend and additional requests must be approved by the Staff Grad Advisors.
- Graduation represents the highest celebration of the year at LCBI, when everyone joins together to praise the Lord and to give honour to the graduates who will soon be leaving this place to go into the world to love and serve God.

SPIRITUAL LIFE:

LCBI is a type of community/family. Residence living contributes to the development of the whole person. Inter-relational skills can be developed and friendships established in this environment. Though our culture equates maturity with independence and looking out for oneself, the Christian body is characterized by interdependence and personal responsibility for the welfare of one another. The residences provide an atmosphere for the development of both these characteristics.

We realize the transition from living at home to living in a dorm setting with multiple dorm mates is not always easy. It requires a change in thinking as you must not only consider what you want, but what is best for the other members within the community.

“Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others. In your relationships with one another, have the same mindset as Christ Jesus: Who, being in very nature God, did not consider equality with God something to be used to his own advantage; rather, he made himself nothing by taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself by becoming obedient to death — even death on a cross!”

Philippians 2:1 – 8 (NIV)

“Do everything without grumbling or arguing, so that you may become blameless and pure, ‘children of God without fault in a warped and crooked generation.’ Then you will shine among them like stars in the sky.”

Philippians 2: 14 – 15 (NIV)

Even though day students or “townies” do not get the dorm experience, you are still considered a full member of this community/family and we want you to feel that. Subsequently, it is expected that you will do your best to contribute in the same manner as resident students both on and off campus.

Chapel:

Chapel is held every school day, and is a highly valued part of our school life. It is a regular part of our academic day. School staff members, student groups, or individuals, as well as invited guests are among those who lead the school family in worship.

Sunday Morning Worship:

All students are encouraged to get involved in a local Christian church while they are at LCBI. Weekly worship attendance is mandatory for dorm students. Bethlehem Lutheran Church is located directly across the road from LCBI. If assistance is needed in arranging transportation to a service at another church, please speak with Campus Life Staff. During church students are not to use cell phones or

other electronic devices. If a student misses church because of sickness, the student may be required to be in the dorm for the day, at the Campus Life Staff's discretion.

Faith In Life Events:

Faith In Life events are held throughout the school year. Guest speakers assist students and staff in dealing with the challenges and changes of life using Scripture, story and song. Students' families and members of the community are encouraged to attend as well. Attendance is mandatory for all students, dorm and town.

Take-Out Tuesdays (TOT):

One Tuesday afternoon each month has been designated as a "Take-out Tuesday." Students and staff will take part in a number of service opportunities in and around the community of Outlook on that day.

CAMPUS LIFE / STUDENT LIFE:

Policies are in effect for all students when on campus.

Special Events:

- There are a number of special events throughout the year (e.g. Tournaments, Homecoming, Graduation, Open House, Banquets). These events require that students be assigned certain tasks. Students are required to be here on campus the following weekends: Homecoming, Open House and Graduation.
- During special events, students and staff are not to use cell phones or other electronic devices. These events include drama productions, Faith In Life events, guest speakers, church services, banquets, etc. Exceptions are athletic events.

Dorm Devotions and Meetings:

Dorm Devotions are held in the dorms every school night after curfew and before dorm duties. Dorm meetings are held as needed.

Separate Boys and Girls Dorms:

- No female students are permitted in the boys' dorm. No male students are permitted in the girls' dorm.
- Both male and female Campus Life Staff may maintain a presence in both dorms. Hallways, offices and lounges will be considered common areas. Entry into individual dorm rooms by opposite gendered Campus Life Staff will be handled with respect for the privacy of each student.

Dorm Room Assignments:

1. Dorm rooms are assigned to students at the start of the school year. No changes to that assignment can be made without the approval of the Campus Life Staff.
2. At no time shall a student take it upon themselves to switch dorm rooms.

3. Each student is given a key to their room on Opening Day. If a student loses their key they are to report it to Campus Life Staff immediately. If the key cannot be found the student will be charged to have their room rekeyed.
4. Expect to have a roommate as part of your dorm experience. *Due to COVID-19, all students will have their own room for the 2020-2021 school year.

Curfew Times:

1. All students are to be on campus and in their respective dorms from Sunday through Thursday at 10:00 PM. This means leaving the school, gym, chapel, student center, etc. at 9:50 PM.
2. All students are to be on campus and in their respective dorm on Friday and Saturday nights at 11:00 PM.
3. Students are not to leave campus from 10:00 PM Sunday – 3:30 PM Friday. Exception: Wednesdays from after school until SUPE.

Lights Out:

The reality of life at LCBI is that it involves very full schedules for many students. For reasons of personal health (research states teens need 8 – 9 hours of sleep per night), performance, and out of respect for the need of others to get enough sleep, it is important that these policies are followed.

1. Sunday through Thursday evenings, students must be quiet and in their own dorm rooms by 11:00 PM, and have their lights out by 11:30 PM. Lights out means all room lights, personal lamps, smartphones, and any other electronic devices with a screen. You may need to turn in your electronic devices at 11:00 PM if we deem they are having adverse effects on you and you seem unable to manage your use of them responsibly at night. This includes requests from parents as well as academic staff.
2. Friday and Saturday evenings, students must be quiet and in their own dorm rooms by 12:00 AM.

Cell Phones (Overnight):

Students will be allowed to keep their cell phones in their room at night, unless the phone interferes with the student's academic work, socializing and/or proper sleep schedule. If phones need to be taken, they will be handed in at curfew and returned at breakfast the next day.

Cleaning:

1. Dorm students are assigned cleaning duties in their dorms on a rotation basis. There may be consequences for students who do not complete their dorm duty each night, at the discretion of Campus Life Staff.
2. Dorm duties are to be completed by ALL dorm students after devotions on Sunday – Thursday evenings.
3. Each individual is accountable for keeping his or her room clean at all times.
4. Dorm rooms will be inspected on Tuesday evenings for cleanliness and orderliness. There may be consequences for students whose rooms do not pass "room checks" at the discretion of Campus Life Staff.

Room Inspections:

LCBI reserves the right to inspect a student's room and contents at any time, and remove from the room anything that is considered not edifying to a Christian community. Examples include such things as stolen road signs, stolen business advertising material or for sale signs, pornography, cultic material, illegal drugs, alcohol and paraphernalia related to those mentioned above. All posters, movies, music, video games, etc. are expected to reflect the standards of the school.

Signing Out:

1. Sign out requests by parents must be submitted by Thursday curfew via text, phone call, or email for overnight or out of town trips. Please refrain from overnight sign outs during the school week unless it is with parent(s)/guardian(s).
2. If a student is being signed out to go anywhere other than their home or to a destination accompanied by their parents, a "receiving" adult must be named and must provide express acceptance of responsibility for the student. This acceptance must also be received by Campus Life staff by curfew of the day prior to leaving.
3. If a student is going to miss any classes due to early departure or late arrival, notification from parents/guardians to the Main Office must occur. Leaving campus and Outlook during the academic day without permission will result in consequences.

Parent Communication:

It is our understanding that parents will work with staff in a spirit of cooperation, with the expectation that staff have the best interest of their child in mind. At times difficult situations arise where there are differences of opinion. It is our belief that conflict can be handled in a respectful and rational way.

Should communication break down and hostility arise, the staff of LCBI have been given permission to terminate the conversation and inform their supervisor of particulars of the incident for follow up. LCBI staff will not tolerate: name calling, threats, harassment, swearing, emotional or physical abuse, either by phone, in person, via email or text messaging.

Cooking:

1. Microwaves are provided in the dorms.
2. Toasters or anything with an open hot element are not allowed in rooms.
3. All cooking must be completed by 10:50 PM.
4. The dorm will not provide any dishes or cookware. All personal dishes and cookware must be labelled and when used must be cleaned and returned to the student's room by 11:00 PM at the end of every day.
5. All cafeteria dishes and utensils must remain in the cafeteria.

Open Flame:

Open flames, candles, incense, etc. are not permitted in the buildings at any time.

Campfires:

Camp fires are only permitted in the designated fire pit area. Permission must be obtained from a staff member to use the fire pit. The fire pit area must be kept clean.

Firearms, Knives, etc.:

Firearms, bows, knives, paintball or airsoft guns, etc. are not allowed on campus at any time.

Pets:

Pets are not allowed on campus at any time (this includes fish).

Electronic Devices:

If students are excessively using electronic devices to the point that it interferes with school work, social interaction or sleep, appropriate measures will be taken. There will be areas of the school that will be designated as "Phone Free" in order to promote healthy social interaction among students. LCBI reserves the right to provide and limit wifi and internet access at its discretion.

Movies and Video Games:

1. Movies and games must be appropriate to our Christian community. Movies must be rated PG-13 or lower. Ratings higher may be confiscated by any staff member.
2. Video games of a violent nature, containing sexual content or coarse language shall not be played and will be confiscated by any staff member. Games must be rated "T" or lower.
3. Excessive use of any media will be subject to restrictions by any staff member.

Social Media:

Social media such as email, Twitter, Facebook, Instagram, Snapchat, texting, etc. are a major avenue of immediate communication. Students are expected to be respectful and discerning in their use of all forms of social media. Some general guidelines will help to guide your use of social media at LCBI:

- Act like you would in real life. Just because you're hiding behind a computer doesn't mean people aren't going to connect what you say online with who you are as a real person.
- Be extra polite and consider carefully what you post. Don't post in a moment of anger which will soon pass.
- Follow the Golden Rule. Treat others the way you want to be treated.

Use of social media in an unkind or bullying manner will result in progressive discipline, or a review of continuance.

Music:

LCBI seeks to maintain a standard that reflects the love of God and therefore edifies a Christian community. This standard cannot support music that is racist or violent towards others, has vulgar language, promotes drugs, is sexually explicit, or is satanic or occult in nature. Anyone playing music that does not meet these standards will be immediately asked to turn it off.

Language:

The LCBI staff feel that students are able to express themselves adequately without resorting to swearing or vulgar language. Such language is not acceptable, nor is it edifying to a Christian community. All students must be sensitive to and respect others in this regard. Your words and your language affect others around you and the community as a whole. Swearing and use of vulgar language will result in disciplinary action. Also remember, we constantly have visitors on campus and your language and its impression, negative or otherwise, directly reflects to visitors and each other.

Dating Relationships:

*"So God created humankind in his image, in the image of God he created them;
male and female he created them."
Genesis 1:27 (NRSV)*

Sexuality is a part of God's good creation. As sexual beings we learn to relate to one another with dignity and respect. Students are expected to demonstrate respect and self-control in matters of sexuality. The sexualized culture in which we live, makes this a challenge, especially for youth of today. Dating relationships require a great deal of intention to ensure that our self, the other person as well as the community is respected.

A healthy, respectful and comfortable environment requires that public displays of affection be appropriate to the school setting. Be wise and limit how much time you spend one-on-one and alone. We encourage you to spend time getting to know other students in group settings and not concern yourself with becoming engaged in an exclusive relationship. In all your relationships, seek to honor God and enhance the lives of others.

If any member of the LCBI community deems behavior to be inappropriate and requests a change in behavior, students are expected to comply with his or her request immediately. Students engaged in inappropriate displays of affection will be subject to disciplinary consequences. Involvement in sexual activity is grounds for immediate consequences. Progressive discipline is in effect.

Dress Code:

Out of respect for those around you, students and staff, we expect the dress code to be followed. (See Dress Code in the Academic Life section).

- Dorm common areas include hallways, lounges, laundry rooms, and bathrooms. Please respect those in your dorm and Campus Life Staff by covering up in the common areas.
- If any articles of clothing do not meet Dress Code, students will be asked to take them home.

Intrusion & Theft:

Any sort of forced or unwanted imposition on another person or their property is unacceptable. Therefore, students are encouraged and expected to respect their peers and treat each other in a responsible fashion at all times. Any student who feels they have experienced intrusion is encouraged to discuss the situation with any staff member. Each student is given a key to his/her room or a lock

for his/her locker at the beginning of the school year. Locking your door/locker is a deterrent for intrusion to happen. Be sure to label your belongings. Be vigilant in protecting your valuables and money. Anyone caught committing theft may face suspension as well as other possible forms of restitution.

How To Report Abuse:

LCBI is expected to be a safe place where students and staff treat one another with care and respect. Any mistreatment, including intrusion, indecency, harassment or abuse of a physical, sexual, emotional or verbal nature is unacceptable. Any student or staff who has experienced any of these by another student, volunteer or staff member is encouraged to report the situation to a trusted staff member.

Tobacco Usage:

In compliance with the Saskatchewan Government and the Tobacco Control Act, all school grounds are now smoke free, and LCBI is no exception. The Act deems that any smoking (including all tobacco products, marijuana or the use of electronic devices or “vaping” of any natural or synthetic products) on school grounds is illegal. School grounds include washrooms, dorms, parking lots, athletic fields and any school property owned by LCBI. Smoking or vaping on campus will result in progressive discipline including confiscation of products (which will only be returned directly to parents upon their request), communication with parents, facilitation of appointments with a Public Health Nurse and cessation support and/or suspension from school if there is ongoing disregard for school policy.

Prescription Drugs:

Please see Prescription and Non-Prescription Medicine Provisions (page 14). All prescription drugs must be handed in to Campus Life Staff for dispensing.

The River:

- We are blessed to be situated on the South Saskatchewan River. We commit to respect the environment as we enjoy it. The South Saskatchewan River is deceptive, with undertow currents which can overcome even the strongest swimmer, a bottom that is unpredictable with pockets of quicksand, and ice that is unstable.
- The RCMP highly recommends that there be no swimming in the river. Students are not to enter or go on to the water. LCBI High School accepts no responsibility for those who choose to swim in the river or walk on the icy river.
- The river bank is used by others for walking, biking, running, etc. We expect students to respect the rights of others to enjoy our riverbank.
- Property north and east of the football field is private property. Please do not go into other people’s yards surrounding LCBI property.

Bicycles:

A bicycle rack is provided. Lock up your bikes! Ask to borrow a bike and respect the owner’s decision.

Vehicles:

1. All students who have a vehicle on campus must have a "Vehicle Registration" form on file with the office.
2. Vehicles are to be registered with the Business Office and parked ONLY in the student parking lot when not in use. The fee is \$50.00 per semester for dorm students. The fee is \$50.00 per year for day students.
3. Only the student whose name is on the Vehicle Registration Form may drive the vehicle. No exceptions. Abuse of this may result in the vehicle being sent home.
4. LCBI assumes no responsibility for the protection of vehicles and the property left therein.
5. Reckless, careless and irresponsible driving will not be tolerated. Such behavior may result in the student losing vehicle privileges or the student and parents arranging to take the vehicle home. RCMP will be contacted.
6. LCBI reserves the right to search a student's vehicle and contents at any time, and remove from the vehicle anything that is considered not edifying to a Christian community.

School Property:

1. Furnishings, room keys, LCBI appliances, windows and screens are all considered school property. Any damage or loss is the responsibility of the student(s) assigned to that room. In public areas where there is damage or loss the charges will be billed to the student(s) responsible. Any damage should be reported immediately to a staff member.
2. Since students are held responsible for the condition of their room; thumbtacks, nails, pins, and most tapes are not to be used. Please use poster putty or green painters tape.
3. Key replacement is \$25.00. Your room will be rekeyed and a new key(s) will be cut.
4. LCBI seeks to encourage students to respect and protect buildings and furniture. Any graffiti or intentional damage will be charged to the student for repair or replacement.

Student Centre:

1. There is a student centre under the Chapel that provides a TV for movies, tables for playing games, a large area for "lounging," as well as foosball, ping pong, pool table, air hockey and movie theatre.
2. SRC will host "Toast Night" on Wednesday evenings in conjunction with House activities. Toast, peanut butter, jam, etc. are provided for students.
3. The student centre is a public area and those using this area must behave in a way that is edifying to a Christian community. Blankets are not to be shared, one set of lights must be on at all times and, students that conduct themselves inappropriately may be temporarily prohibited from using the student centre.
4. There is a pop machine in the student centre. Please recycle all beverage containers. Each building has at least one container for collecting cans and bottles. These collections go to the SRC. Please place cans and bottles in these recycle bins to enhance the SRC's ability to fund events for students.

*Due to COVID restrictions the student centre will only open for scheduled events.

Dining Hall:

All food is to be eaten in the dining hall. No dishes or cutlery are to be removed from the dining hall except in cases of illness (see Health Policy). At the end of meals, students are to place their own dishes in the wash area. Students will not be admitted to the dining hall if they are barefoot, shirtless, in swim clothes, slippers, or bathrobes, or are otherwise judged “inappropriately dressed” for the food service environment. Please ensure that all headgear (see Dress Code) is removed. Students disrupting the dining of others through inappropriate behavior shall be asked to leave the dining hall and may be subject to further disciplinary action.

Meal Times:

Attendance at breakfast Monday – Friday is mandatory for all dorm students.

Permission to eat suppers off campus on Monday, Tuesday, and Thursday will not be given except in very special circumstances (e.g. visiting family, an event booked well in advance).

	<u>Monday – Friday</u>		<u>Saturday</u>		<u>Sunday</u>
Breakfast:	8:00 – 8:30	Breakfast:	9:00-11:00	Breakfast:	9:00-10:00
Lunch:	12:10 – 12:50	Lunch:	12:30 – 1:00	Lunch:	12:30 – 1:00
Supper:	5:30 – 6:00	Supper:	5:30 – 6:00	Supper:	5:30 – 6:00

For students not on meal plans, \$7.00 will be charged for lunch. Any day students staying for supper will be charged \$10.00. Students staying for these extra meals will be required to sign up in advance.

All students are expected to eat lunch in the cafeteria (including both students on the meal plan and also those bringing a bagged lunch), not in the school building. Microwaves are available in the cafeteria, as well as cutlery.

Campus Life Accountability:

“Therefore be imitators of God, as beloved children, and live in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice of God.”

Ephesians 5:1 – 2 (NIV)

LCBI seeks to provide a community where students are able to grow and mature as emerging young adults, as evidenced in their life both on and off campus. To enable this growth we hope to provide a structure that encourages personal responsibility and maturity in the following areas: academic success, personal and social decision making and behaviour, emotional development and most importantly spiritual understanding and commitment. It is important to note that we do not intend to punish, which is strictly punitive, but rather discipline which comes with the intent of personal growth and restoration to the community.

“And have you forgotten the encouraging words God spoke to you as His children? He said, ‘My child, don’t make light of the Lord’s discipline, and don’t give up when He corrects you. For the Lord disciplines those He loves, and He chastens everyone He accepts as His child.’”

Hebrews 12:5 – 6 (NIV)

Each infraction of the guidelines set out in this Handbook will be approached on a case-by-case basis. This means that when a student “breaks the rules” for dorm life, Campus Life Staff will discuss the offence with that student (and parents when necessary) to determine what steps will be taken.

LCBI is not a reform school, rehabilitation centre, or home for troubled teens. This means that:

- Students who are unable to appreciate the learning environment of the dorm life and who act out negatively in their behaviour or attitudes will find that they will not be able to continue at LCBI.
- Students who display certain kinds of destructive or harmful behaviours (towards themselves or others) and are unable or unwilling to seek help and display growth in the problem area will not be able to continue at LCBI.
- Students who desire to overcome habits and/or addictions related to self-destructive behaviour will find a number of supports in the surrounding community. Students who are unwilling or unable to partner for success in these areas will be required to withdraw. While our preference is that required withdrawals occur at the close of the school term in some instances, depending on the severity of the incident/behaviour, withdrawal may be required more immediately. In cases of midterm withdrawals, parents/guardians will be given advanced warning (as circumstances permit).
- Students who remain uncooperative to the end of the school term and who have not exhibited an acceptable level of cooperation, desire and effort to change may be required to withdraw.
- Once a student has been notified of a required withdrawal there will be no appeal possible for continuance with the promise that, “now I will change.” In essence, the STUDENT CHOOSES to stay or go as evidence by their behaviour, attitude, and willingness to live within the expectations of LCBI.

Your experience at LCBI High School does not have to include discipline. Instead, with God’s help and in faith you can strive for the growth and maturity shown by Timothy.

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.”

1 Timothy 4:12 (NIV)

Indecency:

Indecency can be defined as any inappropriate exposure of one’s body to another person or group of people. Indecent behavior may result in expulsion. This includes the common areas of the dorm and school grounds.

Alcohol and Other Drugs:

1. Use, possession and being under the influence of alcohol, marijuana or illegal drugs on campus will not be tolerated.

2. Abuse or misuse of over-the-counter (OTC) drugs, prescriptions drugs, or any other mood-altering substances will not be tolerated.
3. A progressive discipline policy is in place. LCBI may request a student suspected of being under the influence to submit to a drug or alcohol test. Lockers, rooms and personal possessions may be inspected if possession is suspected.
4. Addictions counselling is available through the Town of Outlook and the Health District. Please see the Campus Life Staff or Principal if you feel a referral is warranted.
5. Students and parents have signed an agreement to uphold the policies and expectations of LCBI as per the Application Form A or the Re-Application form. We trust that parents share in our desire to foster an environment in which students would choose to be drug and alcohol free. We ask that parents consider this as they sign their child out to the homes of others.

Defiance:

Respectful dialogue regarding school policies or issues that arise is welcome. However, defiance or lack of cooperation of any sort towards staff and school policy, creates a situation where the student and the school cease to have a working relationship. Appropriate disciplinary action will be taken.

Telephones:

The dorms have pay phones which can receive incoming calls:

Old Main 2nd floor:	306-867-9051
Old Main 3rd floor:	306-867-9060
Old Main basement:	306-867-9001
Boys' Dorm 1st floor:	306-867-9064 and 306-867-9065

These phones are not to be used during SUPE or after lights out.

School Transportation Services:

When the dorms close for school breaks (Thanksgiving Weekend, Remembrance Day Weekend, Christmas, February Break, Easter Break and Victoria Day Weekend), LCBI will provide a shuttle to Saskatoon leaving at a time conducive to all. On the day before classes resume after school breaks, LCBI will again provide a shuttle from Saskatoon returning at a time conducive to all. Please make your arrangements well in advance with Campus Life Staff ONLY to keep communication clear. This can be done through emails, phone calls, or texts.

The costs per trip are as follows:

- In town (Outlook) trips - \$5
- Out of town trips - single student - \$60
- Out of town trips - multiple students - \$30

NOTE: Campus buildings close at 5:00 PM the day school breaks begin and open again at 3:00 PM the day school breaks end.

Contacting the Campus Life Staff:

To contact the Campus Life Staff by email, please email: dormstaff@lcbi.sk.ca

The Campus Life Staff each have a cell phone:

Kari Alford - 1-306-960-7870

Curtis Akre - 1-306-867-1390

Bryan Balaton - 1-306-280-4484

Olivia Wight - 1-306-867-0045

Marcia Orton - 1-306-860-9097

Day students are welcome to be on campus after school, until evening curfew. However, it is necessary that the campus life staff know who is on campus during evenings and weekends, so day students will be asked to check in and check out.

EXTRA-CURRICULAR TRIPS

** All Trips are subject to change according to COVID restrictions

Throughout the school year, several travel experience opportunities are available to LCBI students. The following information is provided as a guide to assist you in your planning and budgeting for the year. Costs listed are estimates based on the previous year's expenses. Specific details and updated costs will be made available as each trip nears.

Alpine Trip (Estimated cost: \$150) – September

~~The Alpine Trip takes place early in the school year. A group of students and staff travel to the Rocky Mountains for a weekend of hiking together. With spectacular scenery and an opportunity to get to know other students well at the start of the school year, this is a very popular trip to take part in.~~

*Cancelled for 2020-2021

Mission Trip: (Estimated cost: \$3,500.00 or less; fundraising) – February break

Youth Conference (Estimated cost: \$150-300) – Nov/May

Youth conferences are weekends where students come together to be spiritually challenged and changed as they participate in a wide variety of concerts, workshops and hear excellent speakers. Various opportunities will be given throughout the year.

Camping Trip (Estimated cost: \$125) – June

The Camping Trip takes place late in the school year. A group of up to 50 students and staff travel to the beautiful Saskatchewan "Hills" or "Grasslands" for a weekend of hiking together. This is a great way to enjoy God's creation and spend some time with classmates near the end of the school year.

EF Educational Summer Trips (Estimated cost \$4000)
