

Joel Isaac Johnson Scholarship

This scholarship is given in memory of Joel Isaac Johnson, a former student whose life ended tragically during his last year at LCBI. Joel was an independent and spontaneous individual who became a significant part of campus life through his contributions as a gifted athlete, scholar, musician and friend to all ages. The scholarship is awarded annually to a student who has been accepted to attend LCBI. Candidates for this scholarship will be well rounded individuals in good academic standing, with leadership skills and the potential to make positive contributions to school life at LCBI, through faithful Christ centred involvement in athletics, music and the social life of the LCBI community.
