

LCBI ALUMNI ASSOCIATION

The purpose of the LCBI Alumni Association is to promote, influence and support LCBI's educational, cultural, social and spiritual life. The Alumni Association's members provide LCBI alumni with the means to serve the campus, its school and its students.

Each year, the Association organizes Homecoming at LCBI, a gathering place for anyone who attended the school, and an opportunity to celebrate the school and what it offers. In an effort to support current LCBI students, the Association provides scholarships each year to acknowledge students who are excelling in their journey at LCBI, and who are continuing their educational journey.
