

Information for US Residents

Friends of Independent Schools and Better Education

You asked..... We have an answer!

If you currently reside in the U.S., we are pleased to present you with an option to make gifts to LCBI High School eligible for IRS tax receipts. FRISBE (Friends of Independent Schools and Better Education) is a licensed U.S. non-profit organization aimed at channeling the gifts of donors to independent schools both within, and outside of, the United States. The mandate of FRISBE is the betterment and enrichment of high quality, privately funded education both nationally and internationally. FRISBE will issue you an IRS tax receipt in accordance with your gift.

The FRISBE Board of Directors meets twice each year to consider grants. At its March meeting, it considers grants based on the contributions received between July 1 and December 31 of the prior year. At its September meeting, it considers grants based on the contributions it received between January 1 and June 30 of the current year. Educational institutions that are approved for FRISBE grants are mailed checks in US dollars following each board meeting.

Because FRISBE is entirely operated by its Board of Director volunteers, it does not take any fees for its services, other than fees associated with inbound donation transactional costs (credit card fees, etc).

To make a gift to LCBI, send a cheque payable to Friends of Independent Schools and Better Education (or FRISBE) with the completed form (see reverse). Be sure to include your name and address so that they are able to mail you a tax receipt.

You can also now donate via credit card through their website at www.FRISBE.org.

Thank your for your generous support of LCBI High School!
